MapScore

Local visibility.
Managed by CBB.

AI-assisted Google Business Profile management for local businesses.

coveredbridgebrands.com

Local marketing needs regular attention

A one-time setup is only the beginning.

MapScore brings ongoing profile work into one managed service from Covered Bridge Brands.

01 **Accurate business details**

Keep your information current as your business changes.

02 **Fresh posts and photos**

Give visitors useful, relevant information about your services.

03 **Reviews and responses**

Handle new feedback consistently with your preferences.

Your profile, kept current.

Your Google Business Profile helps people understand your business and decide what to do next.

Google Business Profile

Profile optimization

Business details, categories and services aligned with your business.

Regular posts

Relevant updates about your services, offers and business.

Review management

Review requests and AI-assisted responses with configured approvals.

Photos and video

Visual content published through supported account connections.

Local visibility across your online presence

MapScore coordinates the work around your profile and connected accounts.

01 **Google Business Profile**

Current information, services and content.

02 **Customer reviews**

Genuine feedback and consistent responses.

03 **Directory listings**

Citations, listing sync and business updates.

04 **Social accounts**

Facebook, Instagram, LinkedIn, YouTube and TikTok.

05 **AI search visibility**

Visibility checks and clearer business information.

06 **Existing website**

SEO recommendations and widgets for your current site.

RESULTS FROM THE TECHNOLOGY BEHIND MAPSCORE

Real results from the technology behind MapScore

Home Crush

Home goods retailer

7,320%

ranking improvement in 30 days

225 people found the business on Google.

$1,112,500

Rooster Roofers

Roofing contractor

19,862%

ranking improvement in 3½ months

29 customer actions from the campaign.

$520,000

The Hybrid Clinic

Wellness center

2,674%

ranking improvement in 30 days

2,768 calls, clicks and direction requests.

$415,200

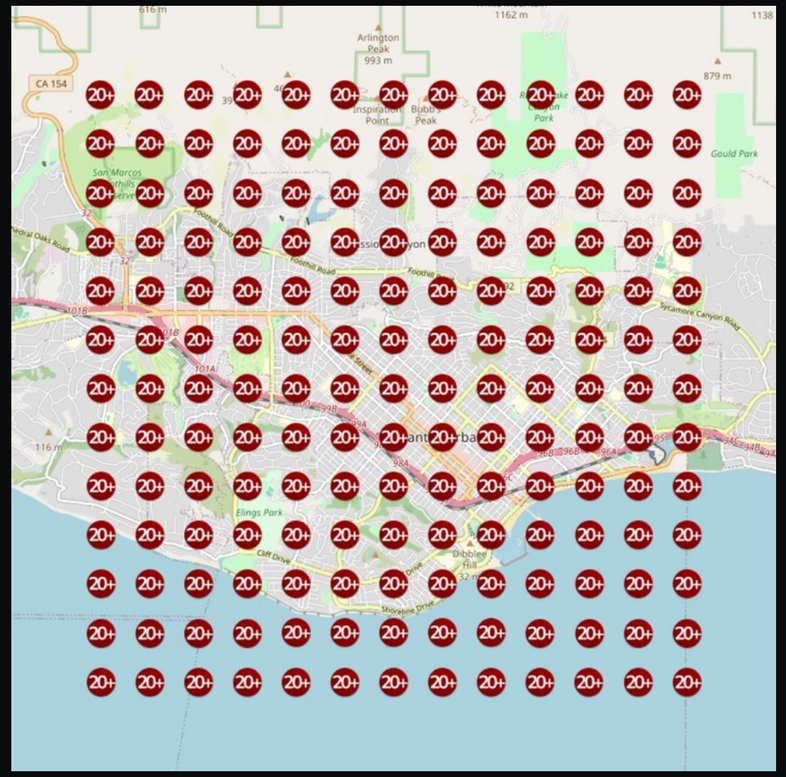

Provider-reported examples, not CBB client results. Dollar amounts are estimated potential revenue from provider materials, not verified sales. Individual outcomes vary.

HOW TO READ THE RESULTS

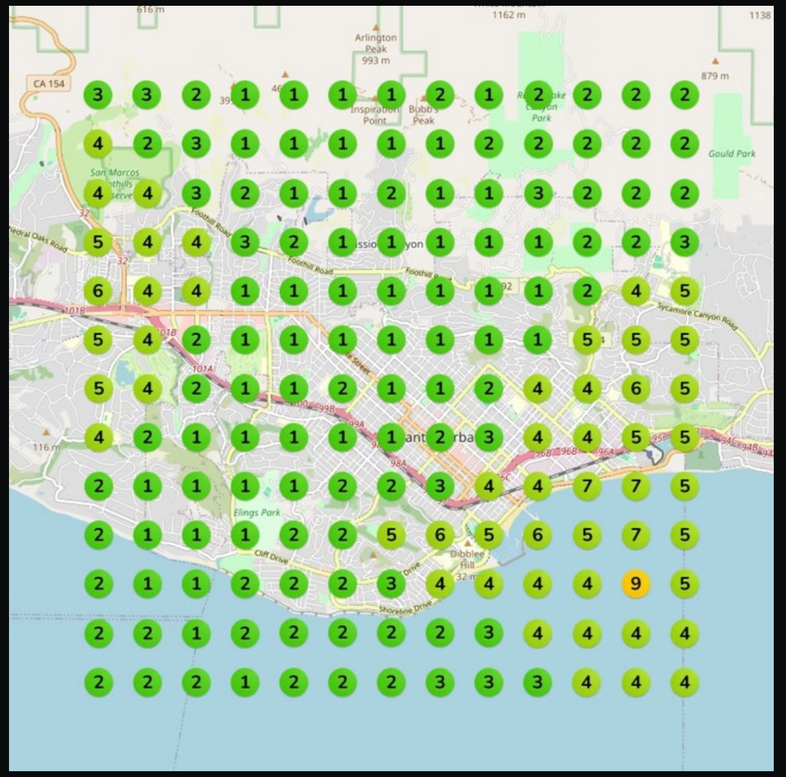

Visibility, location by location

Each number represents a Google Maps ranking position at a location on the grid.

BEFORE

AFTER 30 DAYS

Home Crush, before and after 30 days. Provider-reported example, not a CBB client report. Results vary.

THE CBB EXPERIENCE

A managed service, with your business in view

01

Guided onboarding

Business details and the account access needed to begin.

02

Your preferences

Tone, priorities and content approval settings.

03

Business-specific content

AI-assisted content based on your services and location.

04

Connected activity

Supported profiles and channels within the configured service.

05

Competitor intelligence

Ranking reports, competitor analysis and strategy adjustments.

06

Proactive support

AI account updates, approval requests and reminders, backed by CBB.

REVIEWS OF THE TECHNOLOGY BEHIND MAPSCORE

What customers say

4.9/5

Provider-reported average rating

1,000+

Reviews across Google, Trustpilot and G2

13,000+

Businesses using the technology

“...now I’m number 2 in my market.”

Will Higgins
Realtor

“an absolute game changer for my agency.”

Ryan Fullarton
Agency owner

Excerpts from customer reviews of the technology behind MapScore. Provider ratings and customer counts are not CBB ratings or client counts.

THE MAPSCORE PLAN

Every service. One plan.

Everything here is included in one MapScore plan.

Profile management

Business details, services and content updates.

Existing-website SEO

SEO recommendations, review, photo and post widgets.

Video content

Video creation, YouTube and TikTok publishing.

AI search visibility

Visibility on ChatGPT, Gemini and other AI platforms.

Review management

Review requests and AI-assisted replies.

Directory citations

Citation creation, listing sync and business updates.

Social publishing

Posts for Facebook, Instagram and LinkedIn.

Reports and heatmaps

Heatmaps, keyword tracking, AI reports and action logs.

Connected features require the relevant account access.

ONE COMPLETE PLAN

MapScore

$ 395

per month, per business location

No setup fee

No separate setup charge.

No term commitment

Monthly service without a fixed-term contract.

Non-refundable payments

Payments already made are non-refundable.

Every MapScore service

Profile, reviews, listings, content, reporting and support.

Each additional location needs its own plan.
